Impact Directories  
13450 Clayton Rd  
St Louis, MO 63131

RE: Randolph & Macon County Area Wide

I am writing to let you know that your phone directory really works for us. Your Randolph & Macon Directory book is very similar in coverage to our Chariton Valley Telephone Book. In order to track our advertising dollars we ask everyone who calls how they found us. We have found that over 80% of customers have found us in your phone Book.

Obviously your Impact Phone Book works!!!

Thanks again,

Tom Hess
